B.A. Anthropology Major 4-Semester Plan for Transfer Students with Associate's Degrees

A transfer student with an Associate's Degree and 60 credits, should be able to get through Kutztown in two years. A transfer student with an Associate's Degree does not need to complete the General Education requirements. If 42 of 60 transferred credits offset the General Education side of the checksheet, then the remaining 18 credits will count as Free Electives. When added to the courses in the plan below (which is 18 credits short on the Free Electives), the student will have enough credits to graduate after two years.
